## Professional Experience

Nov 2015 - Present

Digitl Ltd.

### Senior Front-end Developer & Magento Project Lead

Led the development of Magento, Shopify and WordPress projects from start to finish. Formulated quotes for clients based on their requirements. Supported junior staff in their roles to ensure projects followed agreed specification and were completed on time. Experienced working on bespoke projects using Laravel.

Apr 2012 - Oct 2015

Redstar Creative Ltd.

### Front-end Developer

Progressed from Apprentice Web Developer to Front-end Developer focusing mainly on the development of responsive Magento store and WordPress themes. Managed the company Helpdesk system and built the agency's own website on WordPress.

Other experience prior to April 2012

Tesco Stores Ltd.

### Team Leader

Excelled in a number of positions across multiple Express stores after initially joining the company as a Customer Assistant. Quickly took on further responsibilities such as safe balancing, till counting and key holding. Promoted to Team Leader.
